CSC follows NY State Ag and Markets Animal Health Requirements for NY State & County Fairs. You must have present with you the day of event/show documentation for the minimum information indicated by Ag and Markets for any horse on the CSC Grounds. (see <https://agriculture.ny.gov/animals/horses-other-equidae> for requirements). It is the SOLE responsibility of anyone with an equine on CSC grounds to be in adherence to NYS AG & Market Requirements and to be in possession of required documents. Any horse that exhibits signs of contagious conditions will be asked to leave the grounds immediately, at the discretion of the Show Manager(s).
