

Cambridge Saddle Club
2025 Thursday night Gymkhanas Event List
Thursday events start @ 6:30 P.M.

No points are awarded for competition on Thursdays - these nights are for fun and practice (with a cloverleaf barrel race jackpot at the end of the evening for competitive riders!)

Divisions:

Riders are grouped into divisions, based on age. Thursday night events have no lead-line category (sorry, come to the Saturday gymkhanas for lead lines – but only \$10 for Lead Line and Peewee members on Saturdays). The divisions are as follows:

- Peewee (age 10 & under)
- Youth (age 11-15)
- Adult (age 16-39)
- Jack Benny (age 40+)

General Information for Thursday Gymkhanas:

- **Gymkhana Events:** Thursday gymkhanas include five riding events, and typically include a jackpot barrel race at the end of the evening. Riders face different challenges during each event, which require the rider/equine team to successfully complete the specified pattern with speed and/or agility. Patterns can be found on the CSC website: <https://cambridgesaddleclub.org/assets/gymkhanapatterns.pdf>. The event list and patterns are also posted on the day of the Gymkhana, on the side of the judges/announcing booth – memorize the pattern before your run!
- **Cash Back Jackpot (\$5 entry):** Barrel race (min. 5 entries, with a 50% first-place payout).
- **Points and Season-End Awards:** Points are only awarded during Saturday gymkhanas. The top two high point winners for the year in each division are awarded prizes such as buckles, tack, and/or other items at the end of the season.
- **Some of the Rules:** We're all here to have fun, but understand that some riders can be competitive! Riders must ride their equine into and out of the arena at a walk – faster speeds may result in disqualification, as will profanity or other inappropriate or dangerous behavior (Note: if you have trouble with your mount running into the arena, we can make an exception if you circle before starting the pattern). A shirt, long pants, and boots with a clearly defined heel must be worn. The Event Judge has final decision / authority in all events. In an effort to maintain a safe and fun environment, riders, spectators, and all other persons on CSC grounds must abide with the directions of the Event Organizer and Judge.

NOTE: *The Club reserves the right to change or modify the designated patterns on the day of the event for safety/other reasons. The final patterns will be posted on the announcer's stand on the day of the event.*
